

Frequently Asked Questions.....

1. How do I begin my search for quality In-Home Care?
 - a. Ask friends and family who have been in your situation
 - b. Talk to your local senior center
 - c. Talk to your family physician or local hospital
You can also search the internet or yellow pages

2. What should I ask when I call a Home Care Agency?
 - a. Do you do criminal background checks?
 - b. Are your caregivers experienced and trained?
 - c. Are your caregivers insured and bonded?

3. Is there any financial assistance for In-Home care?
 - a. Long-term Insurance
 - b. There are some Veteran Benefits if you qualify
 - c. Unfortunately, Medicare does not assist with In-Home care

4. What are the advantages of In-Home Care vs. an Assisted Living Facility?
 - a. With in-home care you get one on one care.
 - b. The opportunity to stay in the comfort and safety of your own home
 - c. Less expensive than a facility

5. What services do in-home caregivers provide?
 - a. Personal Care
 - b. Light housekeeping, laundry and meal preparation
 - c. Medication Reminders, appointment escort, and other errands
 - d. Companionship
 - e. All ADL's (Activities of Daily Living)

6. What makes Home Care Angels different from other agencies?
 - a. HCA takes a more distinct approach when meeting the needs of our clients
 - b. HCA takes the time to know all the dynamics before placing a caregiver
 - c. HCA provides specific training for our caregivers in specialty areas such as:
 - ❖ Alzheimer's and Dementia Care
 - ❖ Parkinson's disease
 - ❖ Hospice
 - ❖ Geriatric Care

HCA prides itself in our ability to unite the appropriate caregiver with each one of our clients. We are confident we can do the same for you and/or your loved one.
